Partner with The Island Packet and The Beaufort Gazette by adopting a local classroom

Business owners, parents, parent/teacher organizations and associations, city and community outreach leaders.

Become a Newspaper In Education sponsor!

Support your local students by investing in your community schools. As a Newspaper in Education partner, you can provide a set of newspapers for one classroom for an entire year or a minimum of 4 weeks. Here is an opportunity for you to have an active part in delivering knowledge to local students. You can choose the school you would like to help or let The Island Packet and The Beaufort Gazette assign one for you.

Sponsored classrooms receive a classroom set of 30 copies of The Island Packet or The Beaufort Gazette delivered daily to a local classroom.
