Getting out of town

Beaufort County residents will be required to take predetermined routes that are based on where they live. Emergency officials might devise other evacuation routes depending on conditions that could include reversing lanes.

Sun City Hilton Head residents must leave from a specific exit (see Greater Bluffton detail on map below).

Drivers in the right lane will exit onto SC 170, go to SC 462 and on to I-95 at exit 28.

Drivers in the center lane—which will become the right lane at SC 170—will go to I-95 at exit 8.

Drivers in the left lane will continue on US 278 to Hampton.

Drivers in the right lane will continue north on U.S. 17 and turn left on S.C. 303 to Walterboro.

Drivers in the left lane will continue to Yemassee or on to Point South.

Routes for Islanders
- Residents in this area will use William Hilton Parkway
- Residents in this area will use Cross Island Parkway

Routes for Greater Bluffton, Okatie
- West (including University Park residents) on U.S. 278 to Interstate 95 (see lane detail)
- S.C. 46 to Interstate 95
- Sun City residents south of U.S. 278 will leave from the Lake Somerset Gate and head north on S.C. 170, then north on S.C. 462
